Gary gave a report on the Senior Luncheon; he said attendance was low even though he and Erin reached out to quite a few of the seniors. We decided as a

committee to put this item on hold until the New Recreation Directors comes on board.

Gordon reported on the flowers in the parks. The town has fallen behind on some of upkeep of the parks. All the parks taken care of by the community are all up to snuff.

Dorothea Jacob Common is scheduled to have the brickwork done. The Park looks good because of the 2 wedding scheduled for this year. Gordon asked Bob about the wooden terracing garden area who it was built by and is it considered to be part of the common. Bob said volunteers built it and yes it was part of the Park.

The committee decided to leave this issue until and bring it to the New Recreation Director.

Sand Castle Building Contest: Gary reported that everything is up to speed but needed volunteers for the sign up area, judges and a wagon for giving out prizes along the beach. The contest is scheduled for July 4 12-2PM. Sue has made the poster and we all agreed she did a great job. She is now making a one color design for T-shirts. Awards for the winners are coming from the Ogunquit Chamber of Commerce, Kennebunk Bank and The Sea Chambers and Studio East Motels.

Gordon will take care of the sign up table Sue will get judges and the rest of us will be there to help. Bob will get the large posters laminated one for the main beach and one for the footbridge beach.

Skate Park: Gordon asked Bob how things are going and offered help from the committee and also the rotary. Gordon asked Bob to have the Park ready for the 4<sup>th</sup> of July. Bob said that was doable that he will get the existing ramps repaired and he is installing 2 more ramps.
