CODE ENFORCEMENT OFFICER

AS PER OGUNQUIT ZONING ORDINANCE, ARTICLE 8.6

(See reverse)

8.6. Fences

No fence may be erected, altered or relocated without issuance of a permit from the Code Enforcement Officer. Although a Design Review for fences is not required by section 11, the Code Enforcement Officer, at his or her discretion, may submit an application for a fence to the Planning Board for its review, interpretation and possible approval. The Code Enforcement Officer shall enforce Article 8.6 and all permits issued thereto. (Amended 4/5/08 ATM)

Fences shall meet the following standards:

- A. Fences shall only be made of natural, stained or painted wood, stone or metal, wrought iron or vinyl or other plastics and vinyl-covered or other plastic-covered wood or metal excluding chain link, within the following districts: Limited Business District, Downtown Business District, General Business Districts, Perkins Cove Limited Business District and the Ogunquit Beach Business District and those portions of the Shoreland Overlay Districts that overlay said districts. (Highlighted language added at ATM April 3, 2004)
- B. In the One-Family Residential District, Residential Districts, Farm District, Resource Protection District and those portions of the Shoreland Overlay District that overlay said districts fences may be made of wood, stone, brick or other concrete type blocks, metal, vinyl or other plastics and vinyl-covered or other plastic-covered wood or metal.
- C. The Planning Board may approve alternative materials when, for technical or other unique circumstances, the above materials would impose adverse impact on safety or aesthetics.
- D. In the One-Family Residential District, Residential District, Rural Residential District 1, 4 rural Residential District 2, General Business District 1, General Business District 2, Limited Business District and Farm District fences shall not exceed 6 feet in height.
- E. In the Perkins Cove Residential District fences shall:
 - 1. not be more than six feet in height; and
 - 2. not obstruct the view of tidal waters from a public way or other public property.
- F. In the Perkins Cove Limited Business District and the Ogunquit Beach Business District fences shall:
 - 1. not be more than four feet in height; and
 - 2. not obstruct the view of tidal waters from a public way or other public property.
- G. In the Resource Protection District fences shall
 - 1. not be more than four feet in height; and
 - 2. not obstruct the view of tidal or inland waters and/or natural beauty from a public way or other public property.

NOTE: A permit shall expire six months after the date of issuance of the permit if a substantial start is not made in construction or in the use of the property during that period. If a substantial start is made within six months of the issuance of the permit, the applicant shall have one additional year to complete the project, at which time the permit shall expire.
