CODE ENFORCEMENT OFFICER

Inspections required: When the appliance is complete, ready to fire, but prior to use. Failure to schedule inspections and receiving final approval by the inspector will delay the Certificate of Occupancy. Fines will be imposed, for any violation of this Ordinance, at a rate of not less than One Hundred Dollars (\$100.00) per day in accordance with M.R.S.A. 30A § 4452. A separate violation may be assessed for each day a violation continues.
