**Total** $1,380,000 $1,351,000
The budget is looking really good. There is a possibility of a budget that will keep the mil rate nearly unchanged. We are even going to go as far as recommending that we do not use any undesignated funds to balance budget. We used $500,000 two years ago from Undesignated Fund Balance and $350,000 last year! We have a very aggressive Capital Improvement Plan (1.3M) and I am so very proud of staff, the budget committee, and Select Board.

There will be a Public Information meeting on May 10th from 6:00-8:00pm sponsored by MDOT. They will be rolling out the Route 1 project design and seeking feedback from the public. A stakeholders meeting was held on April 4th, and was attended by Selectman Jarochym and I.

The State of Maine Annual Report has been released and the Ogunquit Transfer Station boasts a 58% recycling rate. This is a modest increase over last year and considerably higher than most communities.

The Transfer Station will be closed this Easter Sunday.

Town staff will be volunteering on Patriots Day weekend and will be working a food tent fundraiser on behalf of the Parks and Recreation program. I expect to raise 2-4 thousand dollars for Parks and Rec programming. Together, with savings from the vacant Parks and Rec position, we will have monies to completely renovate the Tennis Courts at Agamenticus. The public will be very pleased and we will be one step closer to improving our infrastructure and amenities. We could use any help you may offer, including staffing the tent or donating food items.

Negotiations with Wells regarding dispatch services are continuing; I hope to complete soon and make the transition by July 1st. I am also working with Time Warner Cable regarding franchise negotiations and trying to get them to agree to fiber optic connections between Wells and Ogunquit which will greatly enhance dispatch communications and give us the ability to simulcast meetings should we wish to do so (School Board meetings or Graduation ceremonies for example).

The Town's 2010-2011 sewer bills were $32,326. The Town's 2011-2012 sewer bills is $25,066. That is a savings of $7,206. Our staff continues to make improvements to infrastructure (including shut-offs on water, waterless urinals etc.) We expect the sewer bill to be reduced by another 5-10k next year based on our ongoing assessments and adjustments.

The Marginal Way will be completely repaved in the next several weeks. New fencing, landscaping, and rock work has been completed in the Oarweed vicinity already this spring.

The PWD staff completed the fencing of dunes and erosion control project at Main Beach to North Beach, including the riverside. This is a task that has been subbed out to contractors in the past at a cost of $15,000 a year. This year, our PWD completed the task.
The piping plovers arrived on March 21st on Ogunquit Beach; a few weeks earlier than usual.

We will be upgrading the trash cans on Main Street soon. They will be black steel and very contemporary. This town deserves it! This change will help the overall aesthetics of our community.

The Perkins Cove and Moody Beach bathrooms were painted out this past week. The offices downstairs at Dunaway were completed.

The Land Use Office will move to the Dunaway Center once we can rehab the upstairs office to their needs. We are currently digitalizing the paper files. We have asked the Marginal Way Preservation office to allow us to utilize that space. Please remember that we are consolidating and moving Land Use to the Dunaway Center is a cost savings move. It would not be prudent for Performing Arts or any other group to move into the Land Use office unless they are fully prepared to pay for the expenses...and that money to pay for expenses cannot simply come out of the Town budget because that will then defeat the purpose of consolidating and saving money in the town budget.

Jacobs Lot will be all but shut down this coming week as water and sewer will be connected to the old bicycle shop, which is now becoming a coffee shop.

Fred Mayo attended Harbormaster School this past week. Fred learned that we can receive sand from the Portsmouth River dredging project for $2 yard. Apparently Wells has committed to taking all that they can get.

The town will be asking the Army Corp of Engineers to consider scheduling a maintenance dredge for Perkins Cove.

Fred Mayo will be applying for a $25,000 Small Harbor Improvement grant. We also hope to complete the $28,000 rehabilitation of the Perkins Cove Bridge in the next couple of weeks.

With all this dry weather and wind, all of New England is in a "Red" fire status. This coming week is supposed to bring several days of rain however.

Parking lots will be open Memorial Day weekend and we are $40,000 away from meeting revenue projection of $1.35M. We should meet that mark easily before June 30th.

Former resident, and Ogunquit Police Sergeant, and Clam Warden, Bob Jones has passed away. He was a former Berwick Road resident.

As you already know, there was an accidental death on Saturday morning on Marginal way. A 57 year-old male slipped and fell.
All Public bathrooms are now open secondary to the early spring weather. Typically the goal is to be open by Memorial Day.

Sanford Town Manager Mark Green is leaving his post to be Executive Director of Washington-Hancock County.

Our share of the County Budget is up $15k, but the school board committee has been keeping the WOCS budget near flat. School Board Trustee Diana Allen has been doing a great job representing our sentiment.

Based on our recent aggressive moves, the Fire Department Budget is now within 1% of YTD expenditures. In December, if you recall, we were $60,000 over budget or 7%.

There seems to be a welcomed change in the "culture" at the Fire station. With the addition of two new "youthful" employees, many veteran fire fighters are exercising. Two of our "heavier" firefighters have lost 30 and 20 lbs. respectively. They have opened the fire station to all staff, sharing the exercise room with Police et al.

Last week a Public Works truck was utilized to assist with renovations at Fire Department. This sounds like a no brainer, but the fact is, Fire Departments (and Police Departments for that matter) are often closed, tight nit institutions. I am very encouraged and pleased with the interdepartmental cooperation that is occurring town wide.

041012-13 Motion made by David Barton and second by Barbara Dailey to award the two-year Restroom Cleaning bid to JaniKing for $93,520; approved 4-0, Tramuto absent.

9.2 Proposed Amendments to the Ogunquit Zoning Ordinance  Don Simpson, Planning Board Chair
To review proposed changes and updates to existing ordinances in preparation for the June Annual Town Meeting Warrant
Don Simpson, Planning Board Chair, was in attendance to review the process that they went through to update the current Zoning Ordinance. Those updates are to be presented to the voters at the Annual Town Meeting.

He stated that the Planning Board, Zoning Board of Appeals, Board of Assessment Review, Code Enforcement Officer Paul Lempicki and JT Lockman, consultant from SMRPC, held joint meetings starting in January, to review the entire Zoning Ordinance.

There are no new ordinances being recommended. The changes are “housekeeping” updates to clarify wording, spelling, etc.

Mr. Simpson asked that document be posted on the web and on Cable TV so that public can review it before the next meeting on the 17th.

Jay Smith, Zoning Board of Appeals Chair, stated that this is a smartly crafted ordinance which protects the citizens and the ambience of the town. About 84 enhancements were made. This should be considered a living document and should be looked at every 3 to 5 years.

041012-13 Motion made by Robert Winn and second by David Barton to make sure to have a public hearing on April 17, 2012 on the revisions; approved 4-0, Tramuto absent.

9.3 Proposed Conservation Land Designation Article for the June Annual Town Meeting Warrant – Thomas A. Fortier, Town Manager

To review a proposal for the June Annual Town Meeting to designate Town land as Conservation Land & Wildlife Commons

Town Manager Fortier reviewed the proposal that had been submitted to the Select Board for inclusion as an article on the June Annual Town Meeting Warrant.

Mike Horn, Chairman of the Conservation Commission, affirmed the comments made by the Town Manager, the prime focus at this time it to protect “our” open land.

041012-14 Motion made by Robert Winn and second by David Barton to accept this exhibit to be included on the June Annual Town Meeting Warrant; approved 4-0, Tramuto absent.

9.4 Perkins Cove Bridge Lift Span Repairs RFP– Thomas A. Fortier, Town Manager

Review and award of the contract for the Perkins Cove Bridge Lift Span Repairs

Ten contractors attended the mandatory site walk for the project; the town received two bids:
Atlantic Mechanical, Inc.  $28,328
Chesterfield Associates  $92,000

041012-15  Motion made by David Barton and second by Robert Winn to accept the low bid from Atlantic Mechanical, Inc. in the amount of $28,328 for the Perkins Cove Bridge Lift Span Repairs; approved 4-0, Tramuto absent.

9.5  To review funding options within FY 2011-2012 for the Perkins Cove Bridge repairs
- Thomas A. Fortier, Town Manager
Select Board action on funding for Perkins Cove Bridge Repairs utilizing FY 2011-2012 funds

Town Manager Fortier and Treasurer Judy Yates have reviewed the current year budget and have determined that, with blessing from the Select Board, the town could fund the Perkins Cove Bridge Lift Span Repair Project within the current year budget with monies from General Government ($30,000). This would allow the project to be completed before the season starts rather than having to close the bridge and wait until after July 1st for funds.

041012-06  Motion made by Robert Winn and second by David Barton to allow the Town Manager to take monies, to correct problems with the Perkins Cove Bridge, with $30,000 from the current year General Government Designated Fund; approved 4-0, Tramuto absent.

MISCELLANEOUS BUSINESS – ORAL & WRITTEN COMMUNICATIONS – FOLLOW-UP

10.1  Public

Mary Ross, resident, stated that we are in a drought situation, asked all to heed to caution when disposing of flammable objects.

10.2  Select Board

Selectwoman Dailey – comments regarding her attendance at the March Wells-Ogunquit CSD budget meetings and the proposals for either a renovated or new High School.

Selectman Barton – no comments.

Selectman Winn – commented on the Wells-Ogunquit CSD high school proposal

Selectman Jarochym – commented on the meeting with the Maine Department of Transportation, regarding the Route 1 Sidewalk project.
11.0 ADJOURNMENT

Motion made and seconded to adjourn the meeting at 9:41pm; unanimous vote to adjourn.

Respectfully submitted,

Cheryl L. Emery, Administrative Assistant to the Town Manager
