April 2, 2020

Dear WOCSD Parents/Guardians, Students, Faculty/Staff, and Community Members:

As we wrap-up our third week of remote/distance learning, I want to thank all students, teachers, staff, administrators, and families for your continued support and dedication to our community.

Our school community from the first planning discussion, to the long-term closure of school, to implementing distance/remote learning on day one, to extended closures, has overcome adversity! We have worked together troubleshooting issues, assisting neighbors, providing support academically, socially and emotionally-all the while demonstrating patience and kindness!

As we discussed in a prior letter, all of this is brand new to all of us! Our families have experienced unprecedented times in the last three weeks. We have watched daily staggering information regarding this horrible virus on every channel and news feed. We have witnessed absolute heroism from our medical and emergency personnel -all under extreme circumstances!

Considering all of this, it is extremely important to keep our spring break in place and to use that time to recharge our batteries and enjoy our families. Therefore, the following adjustments have been made to the 2019-2020 calendar:

### Adjustments:

- Friday, April 17-will continue to be a work make- up day, if needed.
- Monday, April 20-Friday, April 24- **Spring Break** (No remote/distance learning)
- Monday, April 27th- remote/distance learning resumes.
- The **Grade K-11** school year, whether we return to school or not this spring, will end on Friday, June 12th.
- **Graduation** is still scheduled for Sunday, June 7th (Hopefully taking place on Warrior Memorial Field, however this is subject to change). We will know more as we move forward with updates regarding COVID 19.

### Please note

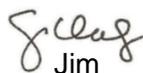

We will continue to provide bag breakfast/lunches from 8:30-10:30 during spring break

Please remember, tomorrow (April 3<sup>rd</sup>) is a make-up day for outstanding work and assignments. If you are all caught up, enjoy the day with your family!

And, please, don't lose your positive attitude and kindness to one another throughout this difficult time! It's our sense of family and community that will get us through this together! Speaking of "family", the WHS Warrior Baseball Team has an important message to share with everyone. (*Please go to the District website to view message*).

On behalf of myself and my family, I thank you for all your support! I am extremely honored to be your Superintendent!

As always, proud to be a Warrior!

  
Jim
