

Please do not abandon recycling. We ask that you be patient as this New World Situation becomes more settled. It may take more of an effort by all of us but this is a change that will lead to a better way of recycling and a cleaner environment. We apologize for any confusion as these changes happen. Do not hesitate to ask the staff for help. We would love to hear any ideas or suggestions on how we can make this transition easier for users. Volunteers to help us get the word out are also welcome. Thank you.
