Memo 6/22/17

To: Select Board

From: Don Gerrish, Interim Town Manager 

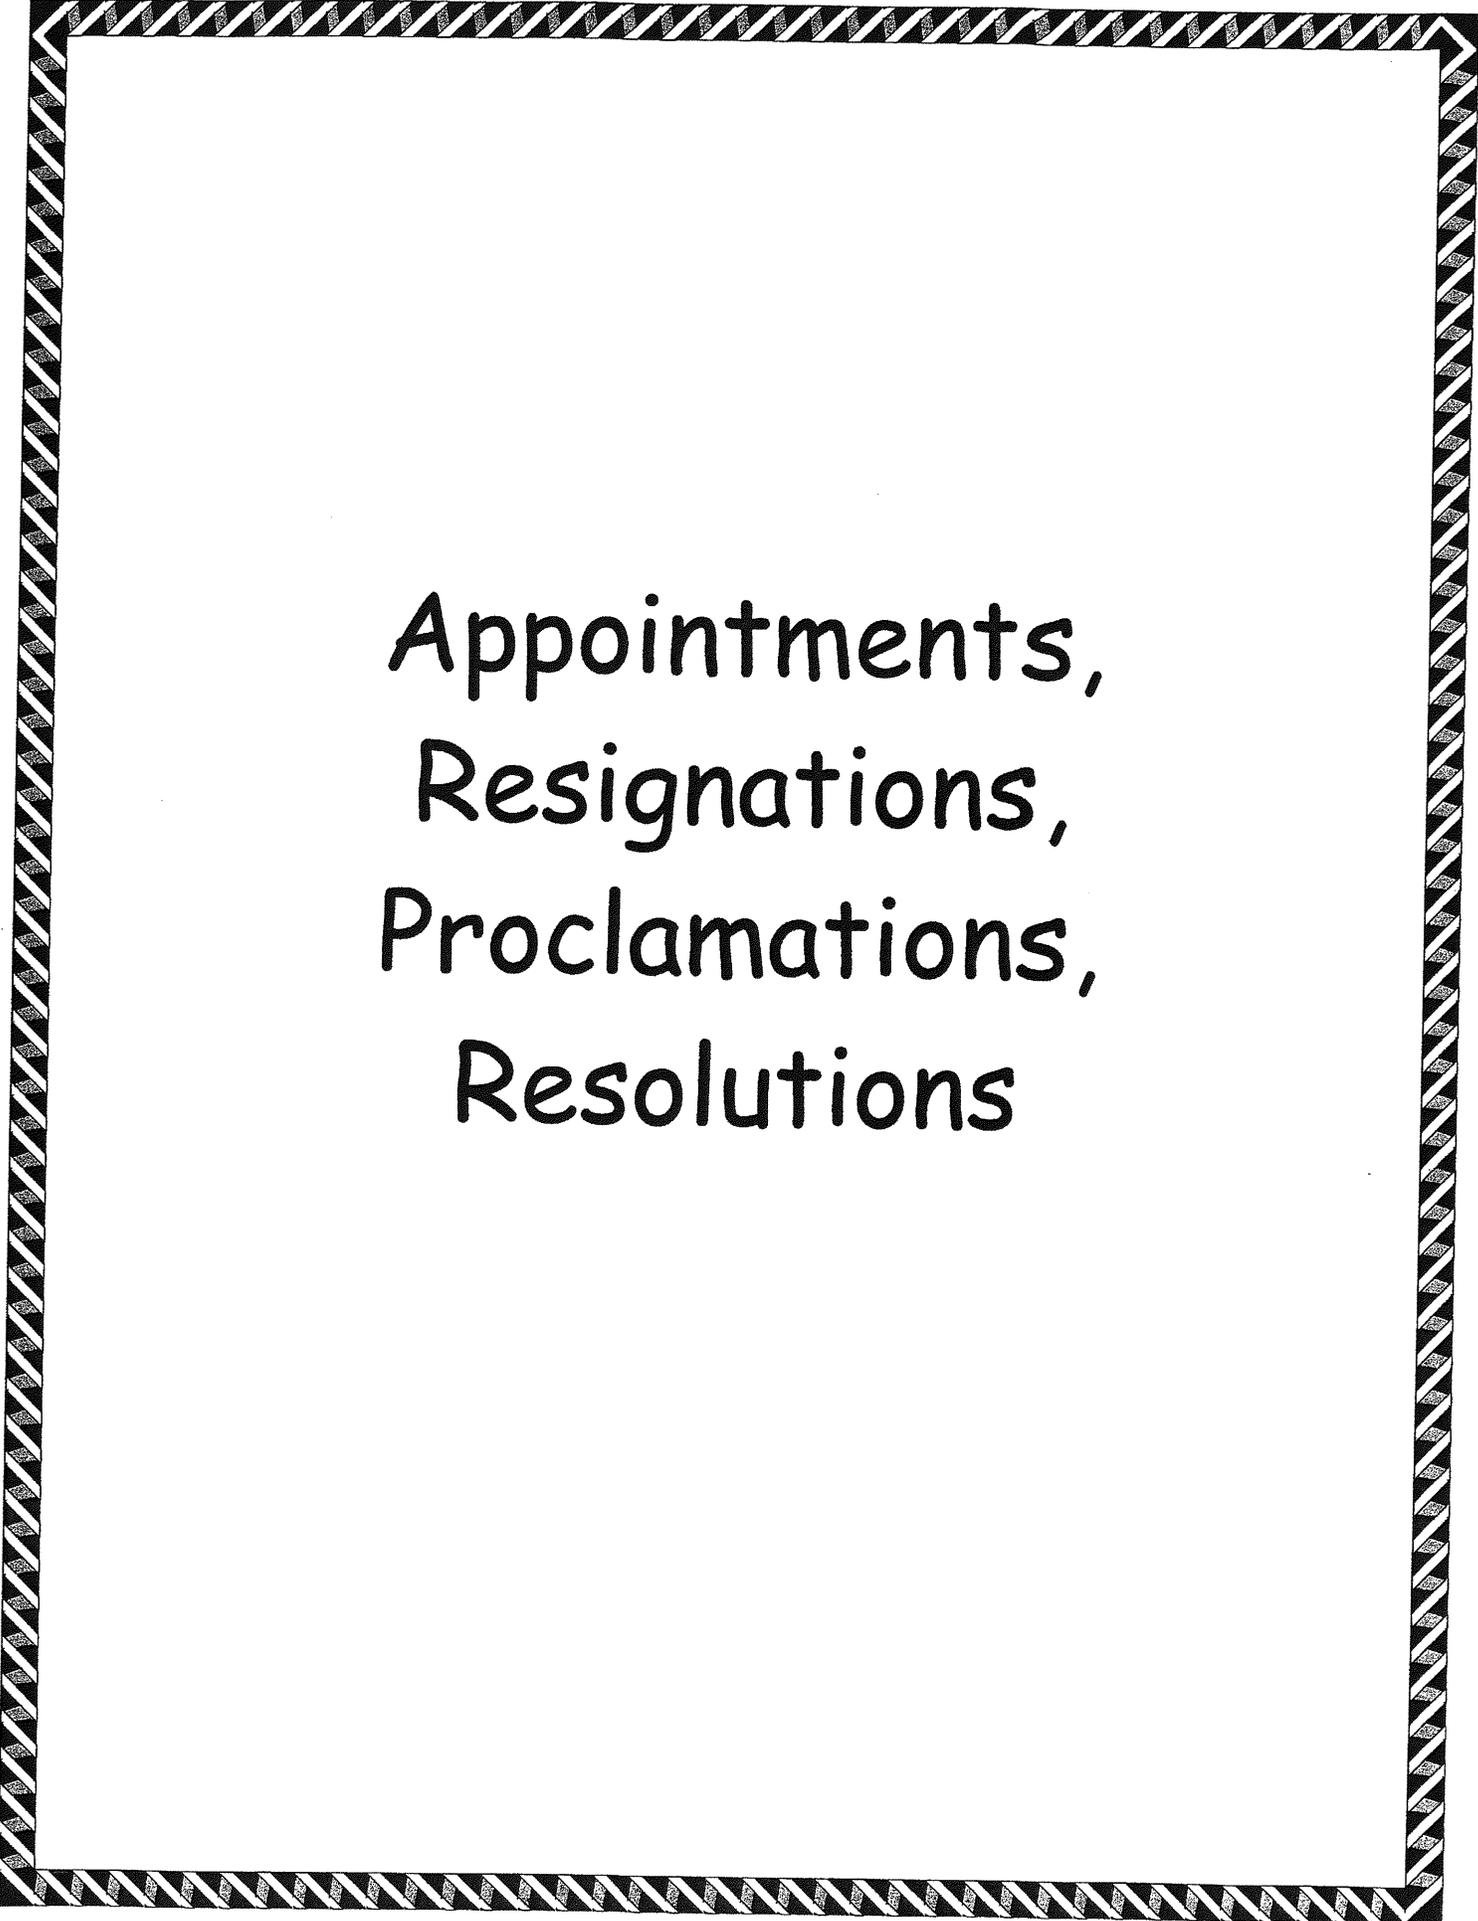

Re: Proposed Select Board Workshop

I would like to propose a workshop of the new Select Board at which you could discuss a number of processing issues that I think will help the Board for the upcoming year.

The issues I would propose you discuss are the following:

- 1) Discuss the Board adopting "Board Rules". These would be a set of rules and procedures that spell out such things as how items are placed on agendas, when items need to be to the Town Manager to be on an agenda, what the rules are for the public comment part of the Select Board meetings and other standard policies for Board meetings. Most communities I have worked in have these types of rules. I can provide copies of other community's rules to help the Board understand possible rules you could adopt.
- 2) Review the set up of the agenda for Board meetings.
- 3) Discuss what process the Board would like to use for setting "Goals" for the upcoming year.

I look forward to discuss this with the Board.

Appointments,
Resignations,
Proclamations,
Resolutions
