Subject: Jon Moody/Pine Hill Road North Subdivision

Ogunquit Planning Board Members,

I am a long standing resident (20+ yrs) of 126 Pine Hill Road North and writing to you to express my TOTAL opposition to the proposed 10 condominium development on Pine Hill Road North.

Putting 10 condominium units on 2.5 acres completely contradicts the current low density of the surrounding neighborhood. In addition, this proposed subdivision will greatly impact the existing peace and nature of the area not to mention the subsequent impact of increased and congested traffic on Pine Hill Road North.

Please DO NOT APPROVE this proposed subdivision. It is NOT in the best interest of Pine Hill Road North neighbors.

Thank you.

Yours truly,
Barry A. Kean
