Re: Mister T LLC/Linda Briggs – 387 Main Street- Map 14 Block 13

Dear Planning Board Members-

I am respectfully asking for an extension regarding the date of the Board Decision of September 26, 2019 for my property located at 387 Main Street.

I am at a disadvantage with timing, given the unusual times with the pandemic and difficulty to press forward with contractors etc, This summer will not afford me an improved situation. Requesting an extension now is my only option.

Please inform me as to how I may move forward. I look forward to your reply.

Most sincerely,

Linda Briggs
Mister T LLC
