Re: BLAIR HODGE – 64 Beach Street - Map 7 Block 90-A– RP – Site Plan Review for a post 1930 structure. Application to remove existing single-family dwelling, add one foot to existing foundation, and construct a new single-family dwelling on existing footprint.

I have reviewed the plans as requested. I do not see anything that warrants major concern from a public safety standpoint.

This project has no direct impact on the Fire Department; we have adequate water supply and hydrants on Beach St.
